PRESIDENT'S REPORT

Presidents Report November 2020

This is the last Report before the A.G.M. and not much has happened since October. We did have a B.B.Q. at Bunnings which gave us a reasonable return.

However, as usual, the same faces turned up and we even needed a couple of wives to help out. Thank you very much ladies. It is amazing that some of our members want all the improvements to our Club but unless there is something in it for them then they are always conspicuous by their absence.

Our Club is neat and tidy after the painting, and there are some members who seem to expect other members to do their share of cleaning etc. There have been instances where the benches were left with sawdust over them, bandsaw and tool rooms left with sawdust throughout.

This is a health and safety issue which is the responsibility **of all CLUB MEMBERS** and it goes without saying that **all members expect the club machines to be clean** when they are about to be used. In addition it would be **fair to expect** that our members would also clean the machines they have been using **ready for** the next person.

Lessons are going very well with one more week to go until next year.

We all need to be mindful of the mishaps that can happen with our tools and projects we are working on. Tony Taylor had an accident turning a square edge bowl that nearly decided he didn't' require three fingers.

Luckily Alice who was taking lessons happens to be a doctor did an excellent job of repair. Thank you Alice and get well Tony. Keep in Mind Safety first always.

Stay Cool and

JUST KEEP TURNING.

BOB YOUNG.

Covid -19 Requirements

To keep our members safe we have to comply with NSW Health directives and state legislation. In order to do this the committee have used documentation provided by both NSW Health and the Men's Shed to prepare a Re-Opening Master Plan. This document details club management and individual responsibilities. A complete copy of the Master Plan is on the club website and will be available at the club. Please understand the various restrictions were not "dreamed up" by the committee. They are what we are required to do to protect the health of members and to ensure the club will pass any inspection by the Police. We do not want to risk members or the club being fined and/or the club being forced to close.

It is important that you read, understand and accept your responsibilities before you decide to attend the club. The maximum number of people allowed in the club at any one time is **15.**

GENERAL

- If you are uncomfortable or feel unsafe coming to the Club, then please stay away. You are under no obligation to attend. Remember we are a vulnerable group & you are no less a member for not attending.
- If you have flue like symptoms , then please stay at home & consider getting COVID test
- If you test positive to a COVID test, then please inform a Committee Member as soon as possible.
- Please do everything you can to comply with the guidelines& ,if you see another member not complying remind them politely.
- If a member asks you to do something to comply with these provisions, please try to
- Co-operate.
- **There will be no provision of food.** Please bring any food you require for your personal consumption.
- Please consider using the Covid Safe App.

ON ARRIVAL

- The only point of entry is via the front (Northcott Road) door. A table has been placed outside the front door with Instructions. Please read and follow them.
- Hand Sanitizer has been placed on the table .Please use before entering.
- Please fill in the daily attendance sheet before you enter. **This document is mandatory and is important record that may be required for contact tracing.**
- **On entering please ensure that the number of people in the main area does not exceed the permitted limit of 15 Persons. If this number is exceeded, then you or someone else must leave immediately.**

IN THE CLUB

- Limits have been placed on the maximum number of people allowed in each area. **Please comply, because it is an offence to exceed these numbers.**
- Please try and & maintain a1.5 metre distance from other people&, where possible, try to limit being close to another person **for no longer than 15 minutes.**
- If you are closer than 1.5 metres for than 15 minutes, then please consider wearing a mask, gloves or other personal protective equipment.
- When you are in the Club the wearing of a mask is mandatory. No Mask No entry to the Club.

Signage has been placed around the Club establishing limits on the number of people allowed in the various rooms and areas. Please observe these limits **& do not enter an area if it would exceed the maximum permitted area**

- Please do not hang around the kitchen close to others.
- The furniture has been configured & chairs moved to encourage distance compliance. Please do not move chairs or tables around that would compromise social distancing.
- **"Co-Mingling" is not acceptable**. Each member should remain at their work position (unless using the amenities). Please do not stand alongside another member whilst he/she is working.

HYGIENE

- Everyone is expected to practice good hygiene& protect against infection& prevent the virus from spreading**. Unless we observe these measures the Club will not be able to operate**.
- Please sanitize your hands before entering the kitchen.
- Please do try & keep areas such as the kitchen& bathroom clean, tidy & hygienic.
- Tea, Coffee and Sugar will be provided in sachets. Please select what you need carefully.
- **Please use your own cup .If you use plates and Cutlery please wash in hot soapy water.**
- Please try and avoid coughing over other people, & if you must cough do so into your arm or paper towel.
- Disposable sanitizing wipes have been provided. **Please use them to wipe down all tools or equipment before & after you use them.**
- Please try& keep the toilet and bathroom sink as clean as possible and sanitize appropriately.

ON LEAVING

- Please fill in the departure time on the daily attendance sheet as you leave. Consider hand sanitizing on departure. Exit is via the Diane Crescent Door.

FINALLY

- Yes, this all a bit of a .pain in the backside, unless we observe these measures, the Club will not be able to operate.

Everyone must practice good hygiene to protect against infection and prevent the virus from

spreading. Let's work together and try not to make this too hard. **Remember the Club can be inspected at any time it is operating.**

IMPORTANT Any breaches of NSW Health Legislation may result in a personal fine for you and the Club. A number of Clubs that were found to be in breach of the requirements have been forcibly closed..

Question 2 : Who Ws the arch enemy of Ernst Stavro Biofeld?

MAXIMUM NUMBERS OF MEMBERS PERMITTED IN CLUB AREAS

The club areas have been measured & the maximum number of people determined using this method

Area / Room	Floor area in square metres	Max capacity	Signage placement
Kitchen	16.5	3persons	At entrance to main door
Main Area	46.5	10persons	At entrance to area
Office	7	1person	On office door
Bandsaw Room	10.4	2persons	On wall in room
Tool Store	7.7	2persons	On door
Garage - Woodstore	10	2 persons	Inside of left-hand door
Garage – Storeroom	8	1 person	Inside of door
Shop	3	1 person	On door
Under awning	60	10 persons	On woodstore door

Container	24	3persons	On inside of door
		persons	

Signage will be posted at the entrance to each area reminding members not to exceed the maximum capacities

Application of 1.5 metre social distancing rule

The NSW government, on its website, states:

This means do not shake hands, or exchange physical greetings, & wherever possible, stay at least **1.5 metres** away from others. It's also really important to practice good hygiene, especially after being in public places. Together we can help stop the spread & stay healthy. Visit health.gov.au to learn more.

To ensure compliance directives have been issued to members to:

1. Maintain a distance of 1.5 metres from others where possible.
2. Minimise closer durations to a maximum of 15 minutes.
3. When unable to comply with the above, use PPE such as masks etc.

Bits and Pieces To Ponder

As 2020, has been a year like no other any of you would have experienced, I decided to share some bits and pieces of wisdom and questions I have gathered over the years. I am sure you will find some entertaining, some enlightening and hopefully others may cause you to reflect upon yourself and your values and how your values and attitude contribute/impact upon your club, your family and society at large.

Which club do you belong to?

The why don't YOU do Club OR I will look after that Club

The I can find a problem with every solution Club OR I agree, what a great idea Club

An overheard conversation.

(I may not have remembered it accurately however I am sure you can relate it to your craft.)

Customer: How much to make a table.

Reply: $1500.

Customer: To expensive.

Reply: How much do you want to pay.

Customer: $800 it is a pretty simply job.

Reply: For $800 I suggest you do it yourself.

Customer: I don't know how.

Reply: For $800 I will teach you and as well as the table you will have knowledge for future projects.

Customer: Ok when can we start?

Reply: Before we start what tools do you have?

Customer: What do I need?

Reply: Table saw, handsaw, hammer, mallet, squares, pencil, plane, sander, sandpaper, brushes, clamps, chisels, router, workbench and probably a few I have probably overlooked.

Customer: How much will that cost? All for one job?

Reply: Depends, if you buy good quality or if you go cheap maybe around $700.00. Oh, and if you want turned legs you can add a minimum of $500 for a lathe and turning chisels. Remember I said earlier if I teach you, you will have the knowledge for future projects but knowledge alone does not enable you to build anything you need the tools as well.

Customer: All that for one job?

Reply: The best I can do is for $1200 will teach you and you can use my tools.

Customer: That is more like it when can we start?

Reply: I teach on Wednesdays but you will have to buy the materials first.

Customer: Materials? What materials, I am not learning to sew.

Reply: You will need timber, glue, sandpaper, stain and polish.

Customer: How much for that?

Reply: Depends on what you want, you can go cheap with pine or use an exotic timber.

Customer: I want good job so all that probably adds up to more than $1500 and I may not do as good a job as you would. Anyway, I cannot do Wednesdays as that is my golf day.

Reply: Suit yourself, sorry I can be of more help.

Customer: When could you have it made and how much deposit do you want, I can give you cash now?

Customers rarely consider the many other factors not mentioned in this conversation. These include, training, experience, workshop, electricity, insurance, risk factors (e.g.) if timber splits, time etc. etc. They seem to think that because it is your hobby there are no costs involved.

Merry Christmas to you and your families. May 2021 and the years beyond bring you good health and happiness.

Dear Member,

Monthly Meetings and Annual General Meeting 2020

Foremost in the minds of all members of the Executive has been the need to ensure we do not initiate any action that puts the health of any member of the club at risk. We are acutely aware that most of our members are in the age group most vulnerable to Covid 19. We also do not want to put the club and/or the members at risk of a fine because the NSW Health regulations relating to Covid 19 were breached.

Notwithstanding the above we have been working on a proposal to hold a monthly meeting in November and when to hold the AGM. We have sought advice from NSW Health and Fair Trading to ensure that whatever action is taken is not in breach of our constitution and the Act and Regulations covering our club as well as the Public Health Covid 19 restrictions.

The proposal detailed below is predicated on the assumption there will not be a resurgence of Covid 19 which may necessitate last minute cancellation of what is proposed. We believe the proposal meets the legal requirements and will not create any of the risks referred to above.

Monthly Meetings

A Monthly Meeting has been scheduled to be held at the club commencing at 7pm on Tuesday 10 November 2020. Attendance will be limited to 20 members. If more than 20 members arrive for the meeting it will have to be abandoned unless some members agree not to attend. Those attending will be seated throughout the club so as to achieve the 1 person per 4 SQM requirement. Members must remain at that location for the duration of the meeting. As only 15 people are allowed in the main area of the club 3 would be in the kitchen and one each in the entry and the tool room doorway. It will not be possible to use a microphone as it cannot be passed around.
As attendance is limited, we suggest that any member wishing to have a matter discussed at the meeting, should provide one of the Executive with written details so that the matter can be addressed.
We understand this is not the ideal situation for conducting a meeting however short of hiring a venue we have not identified an alternative. The situation regarding future monthly meetings will be determined at the November meeting.

Annual General Meeting

Fair Trading advised the AGM can be conducted (a) any time within the Covid 19 restrictions or (b) at the same time as the 2021 AGM. As we believe option (b) is not in the best interests of members we have explored other options. Holding the AGM at the club or in the park opposite is not appropriate as in both instances the number of a persons allowed is 20.

The AGM has been scheduled for 3.30pm Sunday 13 December 2020. The venue is the Lalor Park Community Hub 38 Heffron Road Lalor Park. This facility normally accommodates 80 persons however due to Covid 19 restrictions the limit is 34. As every member must have the opportunity to vote for the election of the Committee it will be necessary, if more than 34 members arrive, for the overflow to remain outside. The Returning Officer will collect and count the votes of members (inside and outside the building) before declaring the results. Using this venue means that apart from the election of the Committee the remaining items on the AGM agenda can be conducted in the usual manner. General Business is not permitted at an AGM.

Attached please find nomination forms for the elections. Completed nomination forms must returned to the Secretary no later than Thursday 3rd December 2020.

Yours sincerely,

Bob Young
President

Club Grant 30th November 2020

We were surprised to receive a phone call from Commonwealth Bank who advised us they were giving us a monetary grant. The Bank considered our Club to be a worthy asset to the Community by operating as we do providing a place where interested persons could come and learn the finer points of woodturning.

This is a fine example of how our Club is perceived in the area and for that we should all be very proud.

Below are some photos of the presentation by the Bank to Bob Young and Les Coombes. Thank you to Ian Frith for providing the photos.

Articles For Newsletter

Could I please ask those members who attend our demonstrations, maxi-days etc, if you could take some photographs and a brief description of the event so these can be published in the newsletter I am sure all members would be interested in reading about the events of the day. Thankyou Editor.

Important Notice to Members

In order that we may keep our records up to date would you please let Raymond Saich or a member of the Club executive know of any change of address, Telephone number, Email address etc.

Change in Club Operating Hours

Please note that following the June 2019 meeting a motion was passed that the Club will not be open on Public Holidays.

Buy and sell

Should you have any items that you want to buy or sell please submit these to the editor by the cut-off date and include full details and a photo if possible?

Library Update

'Please note DVD's have been moved from the cupboard outside the store into the library.

VHS videos have been scraped due to their poor condition. Thanks to Anna and Graham for their help.

Please ensure any magazines which belong to the club are returned.'

Thanks Rod Brown
