## PRESIDENT'S REPORT

### Presidents Report October 2020

Hello everyone, it's that time again.

Turning Classes have started again and the items turned by the people attending are first rate and varied.

I would like to say Thank You Very Much to everyone involved in teaching for their time and effort and help to the new turners to hopefully produce many new members to the woodturning circles.

The AGM is getting closer and I would ask as many members as possible to attend as it can only be beneficial to Our Club. Details of the time and location of the AGM are included in this newsletter. In addition, a nomination form is also included.

All nominations are welcome and encourage you to put your name forward if you would like to nominate for a position.

Can I ask, as our Club has just had a facelift and looks great, if when you all clean up at the end of your day would you look around and see if any benches etc., other than your own, need also cleaning up and brushing down.

.

Doing it this way we can keep the place neat and tidy so please don't leave it to someone else as it will start to look grotty and untidy again.

As you can see elsewhere in the Newsletter that Lynne and I have taken the machines etc to Mogo on the South Coast and the Members of their Club
Thank you all for the donation which will add to their Club as soon as they
Can get one built.

That's all for now
JUST KEEP TURNING
BOB YOUNG.

# The Politician

John McKECHNIE (Oct 2020)

With nothing worthwhile on TV
I find a newspaper to read
As I scrutinize each page
I find a tale of greed

Stories about politicians
Grace the pages of the press
But only one caught my eye
It was of a bloke under stress

Seems he was making money
Whilst Minister of the Crown
Selling land and visas
And this brought him down

Perhaps he was unlucky
Because he got caught
Other politicians maybe smarter
As investigations come to nought

How well they cover their tracks
You can't believe the stories told
They even decline Police requests
For evidence they claim they hold

Let's hope most are honest
And work for the good of all
Some are corrupted by the system
These, sometimes take a fall

Yet we still vote for them
Whenever there's an election
So, check out your candidate
Be careful of your next selection

# Covid -19 Requirements

To keep our members safe we have to comply with NSW Health directives and state legislation. In order to do this the committee have used documentation provided by both NSW Health and the Men's Shed to prepare a Re-Opening Master Plan. This document details club management and individual responsibilities. A complete copy of the Master Plan is on the club website and will be available at the club. Please understand the various restrictions were not "dreamed up" by the committee. They are what we are required to do to protect the health of members and to ensure the club will pass any inspection by the Police. We do not want to risk members or the club being fined and/or the club being forced to close.

**It is important that you read, understand and accept your responsibilities before you decide to attend the club.** The maximum number of people allowed in the club at any one time is **15.**

**GENERAL**

- If you are uncomfortable or feel unsafe coming to the Club, then please stay away. You are under no obligation to attend. Remember we are a vulnerable group & you are no less a member for not attending.
- If you have flue like symptoms , then please stay at home & consider getting COVID test
- If you test positive to a COVID test, then please inform a Committee Member as soon as possible.
- Please do everything you can to comply with the guidelines& ,if you see another member not complying remind them politely.
- If a member asks you to do something to comply with these provisions, please try to
- Co-operate.
- **There will be no provision of food.** Please bring any food you require for your personal consumption.
- Please consider using the Covid Safe App.

**ON ARRIVAL**

- The only point of entry is via the front (Northcott Road) door. A table has been placed outside the front door with Instructions. Please read and follow them.
- Hand Sanitizer has been placed on the table .Please use before entering.
- Please fill in the daily attendance sheet before you enter. **This document is mandatory and is important record that may be required for contact tracing.**
- **On entering please ensure that the number of people in the main area does not exceed the permitted limit of 15 Persons. If this number is exceeded, then you or someone else must leave immediately.**

**IN THE CLUB**

- Limits have been placed on the maximum number of people allowed in each area. **Please comply, because it is an offence to exceed these numbers.**
- Please try and & maintain a1.5 metre distance from other people&, where possible, try to limit being close to another person **for no longer than 15 minutes.**
- If you are closer than 1.5 metres for than 15 minutes, then please consider wearing a mask, gloves or other personal protective equipment.
- When you are in the Club the wearing of a mask is mandatory. No Mask No entry to the Club.

Signage has been placed around the Club establishing limits on the number of people allowed in the various rooms and areas. Please observe these limits **& do not enter an area if it would exceed the maximum permitted area**

- Please do not hang around the kitchen close to others.
- The furniture has been configured & chairs moved to encourage distance compliance. Please do not move chairs or tables around that would compromise social distancing.
- **"Co-Mingling" is not acceptable**. Each member should remain at their work position (unless using the amenities). Please do not stand alongside another member whilst he/she is working.

**HYGIENE**

- Everyone is expected to practice good hygiene& protect against infection& prevent the virus from spreading**. Unless we observe these measures the Club will not be able to operate**.
- Please sanitize your hands before entering the kitchen.
- Please do try & keep areas such as the kitchen& bathroom clean, tidy & hygienic.
- Tea, Coffee and Sugar will be provided in sachets. Please select what you need carefully.
- **Please use your own cup .If you use plates and Cutlery please wash in hot soapy water.**
- Please try and avoid coughing over other people, & if you must cough do so into your arm or paper towel.
- Disposable sanitizing wipes have been provided. **Please use them to wipe down all tools or equipment before & after you use them.**
- Please try& keep the toilet and bathroom sink as clean as possible and sanitize appropriately.

**ON LEAVING**

- Please fill in the departure time on the daily attendance sheet as you leave. Consider hand sanitizing on departure. Exit is via the Diane Crescent Door.

**FINALLY**

- Yes, this all a bit of a .pain in the backside, unless we observe these measures, the Club will not be able to operate.

Everyone must practice good hygiene to protect against infection and prevent the virus from

spreading. Let's work together and try not to make this too hard. **Remember the Club can be inspected at any time it is operating.**

**IMPORTANT Any breaches of NSW Health Legislation may result in a personal fine for you and the Club. A number of Clubs that were found to be in breach of the requirements have been forcibly closed..**

**Question 2 : What was the first man to return safely from Space?**

## MAXIMUM NUMBERS OF MEMBERS PERMITTED IN CLUB AREAS

The club areas have been measured & the maximum number of people determined using this method

| Area / Room | Floor area in square metres | Max capacity | Signage placement |
|---|---|---|---|
| Kitchen | 16.5 | 3persons | At entrance to main door |
| Main Area | 46.5 | 10persons | At entrance to area |

| Under awning | 60 | 10 persons | On woodstore door |

| | | | |
|---|---|---|---|
| Container | 24 | 3persons | On inside of door |
| | | persons | |

Signage will be posted at the entrance to each area reminding members not to exceed the maximum capacities

### Application of 1.5 metre social distancing rule

The NSW government, on its website, states:

This means do not shake hands, or exchange physical greetings, & wherever possible, stay at least **1.5 metres** away from others. It's also really important to practice good hygiene, especially after being in public places. Together we can help stop the spread & stay healthy. Visit health.gov.au to learn more.

To ensure compliance directives have been issued to members to:

1. Maintain a distance of 1.5 metres from others where possible.
2. Minimise closer durations to a maximum of 15 minutes.
3. When unable to comply with the above, use PPE such as masks etc.

### Signage

Signage will be created & posted as identified in the above table. Templates for the signs to be produced are:

## Covid - 19 or Covid – 20

A concerned Mathematician sought advice from the medical profession as to why the virus was called Covid-19 when it was wreaking havoc in2020. He also asked if it was time to ease the lockdown. His visit was unsuccessful as his first question was ignored and the answers to his second were most unedifying.

Allergists were in favour of scratching it but Dermatologists advised not to make any rash moves.

Gastroenterologists had sort of a gut feeling about it, but Neurologists thought the government had a lot of nerve.

Obstetricians felt certain everyone was labouring under a misconception, while Ophthalmologists considered the idea short-sighted.

Many Pathologists yelled, "Over my dead body!" while Paediatricians said, "Oh, grow up!"
Psychiatrists thought the whole idea was madness, while Radiologists could see right thought it.

Surgeons decided to wash their hands of the whole thing and pharmacists claimed it would be a bitter pill to swallow.

Plastic Surgeons opined that this proposal would "put a whole new face on the matter."

Podiatrists thought it was a step forward, but Urologists were pissed off at the whole idea.

Anaesthetists thought the whole idea was a gas, and those lofty Cardiologists didn't have the heart to say no.

In the end, the Proctologists won out, leaving the entire decision up to the assholes in politics.

## Quote of the Month:

**Rivers do not drink their own water; trees do not eat their own fruit; the sun does not shine on itself and flowers do not spread their fragrance for themselves. # MOGO MENS SHED EQUIPMENT DONATION

Lynne and myself took the two lathes and all the other equipment down the coast to the Eurobodalla Woodworking Club which was situated in Mogo just South of Batemans Bay.

There we met Helmut the President, Eric the Secretary and another member of their Club and we proceeded to a storage unit in Batemans Bay where we unloaded it all into a Unit as their Club house

And most of their equipment was completely burnt down in the fires. They haven't yet finished

Plans to rebuild as they are looking at land which has been offered and have yet to decide which would suit. We have also added photos of the devastation

Throughout the whole area and as you can see nothing much survived even though the trees are starting to spring back to life.

Helmet and friends sent a great but Thank You to our Club for the generous donation as everything helps to get their Club back on its feet. Let's hope nothing like this will happen again.

Steve Hitchcock has kindly donated some books for them to restart their library and these will be taken down to them in the very near future.

The devastation in the area was unbelievable and needed to be seen to be believed as shown above. Having been on Holiday at nearby Moruya during the fires in 2019 the whole area was covered in smoke and ash.

The power and communications went out so no phones, internet, petrol etc were available. With the highway cut going north and also to the south at Cobargo the only road home was via Wallaga Lake on the coast then to Bermagui back to Bega from the south. From there over the Snowy Mountains to Cooma,, Canberra and then back to Sydney. This was a 750 km round trip and took ten hours.

This was definitely a trip to remember. Photos courtesy of Lynette Young.

## Bunnings BBQ at Seven Hills October 2020

We held our first BBQ in quite while at Seven Hills since these were allowed to reopen and these are now subject to new covid rules.These mean that we can only have 5 people at the site at any one time, Bunnings have a staff member present at all times who will sanitize the surfaces every hour, ensure we change our gloves hourly plus make sure the sauce bottles are sanitized if touched by a customer. They are not permitted to put sauce on the sandwiches as in the past.

It was a cold day, and given we were not in our usual position and our hours were reduced from 7am to 4pm to 9am to 4pm we did not raise as much as we usually do.

Some customers came up asking for ten sausage sandwiches at a time which was very challenging to say the least.

Thank you to Bob and Lynette Young, their granddaughter Georgia, Ian Frith , Rohan Mccardle, Dave Matthews, Alan & Vicki Eipper, David Searle for their assistance on the day.

All members are most welcome to attend these fund raising activities which are a good Fun.

Just put your name on the board and come along. David Searle.

## Timber Sales

### Friday 27th November

*"As you are all aware many, if not all, of the shows this year have been cancelled due to Covid19, so many of us have not had a chance to acquire timber for turning, carving, etc., so we have decided to add a day to our craft show, Friday the 27th and we have invited a number of timber sellers to sell on that day only.*

*We have reached out to*

- The guys from Parks that normally attend the Sydney working with wood, they are almost a definite for the day with their burls and banksia nuts, possibly even some gidgee.
- Mal from Boutique Timbers, who is still working out if they can make it down with maybe a load of camphor (and hopefully some of his more exotic timbers)
- We have a local guy that has a slabbing business who currently has a good quantity of Juniper that he says he could slab and cut for turning blanks, and is looking at other timbers he may have
- Alan (Cedar) Smith one of our members looks almost certain to bring in a good quantity of cedar slabs and blanks
- I have a couple of other people that I am still working on that have loads of reclaimed timber that will be there as well.
- We will be selling some camphor, jacaranda, silky oak, banksia, mango, and some odd timbers that we have in abundance at the current time.

I need you to know that we are not charging any of the sellers to attend we are doing it for our, and hopefully your, members to have a chance of grabbing something that they may not have been able to get during these strange time.

Last but certainly not least Mike (from Hardware for Creative Finishes) has also agreed to come down from Dungog with a load of sandpaper, wet and dry, Veneers, brassware, etc., you all know what Mike sells and I am sure have purchased heaps from him in the past. Mike was more than happy when I reached out and asked me to let those that currently deal with him on a regular basis know if they want him to bring anything special down for them they can reach out (give him plenty of notice though) and he will bring it with him on the day.

I am hoping you will support us in this. Should you need more information please contact me direct at *corina.buckman@bigpond.com*

Dear Member,

**Monthly Meetings and Annual General Meeting 2020**

Foremost in the minds of all members of the Executive has been the need to ensure we do not initiate any action that puts the health of any member of the club at risk. We are acutely aware that most of our members are in the age group most vulnerable to Covid 19. We also do not want to put the club and/or the members at risk of a fine because the NSW Health regulations relating to Covid 19 were breached.

Notwithstanding the above we have been working on a proposal to hold a monthly meeting in November and when to hold the AGM. We have sought advice from NSW Health and Fair Trading to ensure that whatever action is taken is not in breach of our constitution and the Act and Regulations covering our club as well as the Public Health Covid 19 restrictions.

The proposal detailed below is predicated on the assumption there will not be a resurgence of Covid 19 which may necessitate last minute cancellation of what is proposed. We believe the proposal meets the legal requirements and will not create any of the risks referred to above.

**Monthly Meetings**

A Monthly Meeting has been scheduled to be held at the club commencing at 7pm on Tuesday 10 November 2020. Attendance will be limited to 20 members. If more than 20 members arrive for the meeting it will have to be abandoned unless some members agree not to attend. Those attending will be seated throughout the club so as to achieve the 1 person per 4 SQM requirement. Members must remain at that location for the duration of the meeting. As only 15 people are allowed in the main area of the club 3 would be in the kitchen and one each in the entry and the tool room doorway. It will not be possible to use a microphone as it cannot be passed around.
As attendance is limited, we suggest that any member wishing to have a matter discussed at the meeting, should provide one of the Executive with written details so that the matter can be addressed.
We understand this is not the ideal situation for conducting a meeting however short of hiring a venue we have not identified an alternative. The situation regarding future monthly meetings will be determined at the November meeting.

**Annual General Meeting**

Fair Trading advised the AGM can be conducted (a) any time within the Covid 19 restrictions or (b) at the same time as the 2021 AGM. As we believe option (b) is not in the best interests of members we have explored other options. Holding the AGM at the club or in the park opposite is not appropriate as in both instances the number of a persons allowed is 20.

The AGM has been scheduled for 3.30pm Sunday 13 December 2020. The venue is the Lalor Park Community Hub 38 Heffron Road Lalor Park. This facility normally accommodates 80 persons however due to Covid 19 restrictions the limit is 34. As every member must have the opportunity to vote for the election of the Committee it will be necessary, if more than 34 members arrive, for the overflow to remain outside. The Returning Officer will collect and count the votes of members (inside and outside the building) before declaring the results. Using this venue means that apart from the election of the Committee the remaining items on the AGM agenda can be conducted in the usual manner. General Business is not permitted at an AGM.

Attached please find nomination forms for the elections. Completed nomination forms must returned to the Secretary no later than Thursday 3rd December 2020.

Yours sincerely,

Bob Young
President
27 October 2020

## Cut off dates for articles

Please note the cut off date for articles to be included in the Newsletter is the last day of the month. All members are welcome to submit articles for inclusion. PLEASE SEND THEM TO THE Editor at searleds77@bigpond.com.

## Articles For Newsletter

Could I please ask those members who attend our demonstrations, maxi-days etc, if you could take some photographs and a brief description of the event so these can be published in the newsletter I am sure all members would be interested in reading about the events of the day. Thankyou Editor.

## Important Notice to Members

In order that we may keep our records up to date would you please let Raymond Saich or a member of the Club executive know of any change of address, Telephone number, Email address etc.

## Change in Club Operating Hours

Please note that following the June 2019 meeting a motion was passed that the Club will not be open on Public Holidays.

## Buy and sell

Should you have any items that you want to buy or sell please submit these to the editor by the cut-off date and include full details and a photo if possible?

## Library Update

'Please note DVD's have been moved from the cupboard outside the store into the library.

VHS videos have been scraped due to their poor condition. Thanks to Anna and Graham for their help.

Please ensure any magazines which belong to the club are returned.'

Thanks Rod Brown
